MAYOR'S REPORT

I hope everyone had a wonderful Christmas and a Happy New Year. We wish everyone a very blessed 2014. 2014 is going to be an exciting year for us due to plans that will change the face of our little town. These plans will involve renovation on the old well with additional landscaping and sidewalks, new lighting in certain areas, and large planters throughout the town. We also have several events for the community to enjoy this year. Please keep a close watch in the newsletters for upcoming activities and you can contact City Hall if you have any questions. Also, we need a little help from everyone. When placing your garbage out for pickup on Saturday mornings, please be sure and store it in some type of container to stop animals from destroying it before it is picked up. Garbage is being scattered through the yards and streets. We try to pick it all up, but have a certain time limit to complete garbage pickup. Your help would be appreciated. We are also doing a survey. If you live in the old part of Eton (east of the railroad tracks) and would like to hook up to sewage, please notify Kim Hall at City Hall and give her your contact information. I want to thank everyone for a great 2013 and we look forward to an exciting 2014. As always, it is a privilege to serve you and our community. You are what makes Eton a great little town. Any issues or questions please let us know.

Take Care,
Billy Cantrell
